ABOUT US

At HST International Toys, we provide a comprehensive solution to meet every country's RC market needs. With over 20 years of experience, we've established ourselves as a trusted leader in the global RC (Remote-Control) toy industry. Our range of high-quality RC products—including remote-control cars, speed racers, helicopters, sky drones, die cast and of course our amazing Mystery Ballerz series and more—combines cutting-edge technology with competitive pricing, ensuring that our customers receive the best value on the market.

Our products are not just built to perform—they're designed to captivate. Each item is carefully packaged to enhance its appeal, drive customer interest, and increase sales. Plus, when you choose HST International Toys, you're not just purchasing a product—you're investing in an entire "watch & play" system. Our packages include a loop DVD that plays on your floor display, creating an engaging in-store experience that keeps customers coming back.

We pride ourselves on offering the hottest and latest RC products, ensuring that your store remains stocked with top-selling items. Our commitment to quality means that our products are built to last, resulting in fewer returns, happier customers, and greater profits for your business.

At HST-RC, we are particularly interested in forming partnerships that align with our strategic goals and organizational vision. We invite you to contact us and share more about your company—its mission, vision, values, and unique contributions to your market. Together, we can drive success and continue to lead the RC toy industry into the future.

We will provide the best price whether it be FOB or domestic drop shipping. At your earliest convenience, let's discuss your needs and our offerings to you in the most efficient and accurate way.
